	Prepayment of Full Tuition	Early Re-enrollment	Sibling Discounts
	This is for current families that prefer to prepay their tuition. The discount is earned if the tuition is paid in full by 1-31-22.	This discount is for current students that are re-enrolled by 1-31-22. It is not available to new students.	This discount is available to siblings. It is applied to the sibling(s) with the lowest tuition.
	<i>This discount amount combined with any other applicable discounts is deducted from the total one payment amount</i>	<i>These discount amounts are deducted from the selected tuition payment plan and equally distributed across the respective number of payments. For example a \$1000 sibling discount combined with a \$500 early enrollment discount would result in either a total discount of \$1500 deducted off the one payment plan; or a \$750 discount deducted from each payment on the two payment plan; or a \$136 discount deducted from each payment on the 11 payment plan.</i>
